About the Market

Ghana

Ghana has a population of over 25 million people and was the first African nation to achieve independence. The country's GDP of \$US 90 billion is mostly built on natural resources, agriculture and services. Estimated oil reserves have recently jumped to 700 million barrels ex-

pected to boost economic growth. Ghana is one of the fastest growing economies in Africa.

CiTC News

In order to further expand in the region CiTC has opened a new office in Ghana. With offices in 9 different countries Ghana became the latest addition to the geographical expansion of CiTC.

CiTC is planning to open 6 more offices within the next 3 years.

We are committed to bringing you the best products and services and supporting you with a global footprint.
